“NOTICE OF NATIONHOOD”

Verifiable at www.HarTsiyon.com

DEAR PRESIDENT BIDEN,

The Nation of Israel hereby serves Official notice upon the United States of America and their Government, the United States, over which you preside as Chief Executive; that:

Victims of the Transatlantic Slavetrade were Israelites

- I. The Offspring of persons abducted from the West Coast of Africa in the 17th century A.D. and compelled to chattel enslavement in the former Colonies beginning in 1619 A.D. that later became the American States in 1776 A.D., hereinafter "Israelites" and "Ancient Hebrews", "Biblical Hebrews",¹ or simply "Hebrews"; are the *biological* descendants of the original inhabitants of the countries presently known as Israel and Palestine.²
 - a. Israelites are the Heir to Jerusalem and the surrounding regions of Israel and Palestine, which is *prima facie* legal grounds for the Hebrews' ***Right of return.***
 - b. In that the United States of America are professedly a Christian Nation whose existence rests upon the Hebrews' Bible, we call upon the Honour and Dignity of the American People and Government to Restitute and Reparate the Israelites according to good moral conscience.

Jews are non-Semites falsely personating the Biblical Hebrews

- II. Science has proven that the Jewish community is *genetically* of an East Asia origin as opposed to the Middle East; they are not the Israelites.³
 - a. Non-Semitic persons are occupying Israel and Palestine under false pretenses of Semitism.⁴ We call upon America, as the leader of the West to be a good example and take a stand against anti-Semitism.

The Nation of Israel is a hereditary Family comprised of the biological descendants of the Biblical Hebrews also known as "Israelites", around whom the Abrahamic religions of Christianity, Judaism, and Islam are centered. While Israelites are separate and distinct from Jews, we do not condone, support, or encourage any form of unprovoked hatred against Jews or other non-Semitic persons. Israel believes in universal respect for all of Humanity and encourage all peoples to actively work toward peace and inclusivity in a manner that simultaneously deters discrimination and hate. God is Love (1 John 4:18). Love wins. www.HarTsiyon.com p. 2

- b. Israelis are persons politically affiliated with the State of Israel not to be mistaken as members of the Nation of Israel, which makes them trespassers in law if attempting to withhold the Hebrew Homeland from the Israelites.
- c. Peaceful negotiations between the State of Israel and the Nation of Israel, according to Law, are in order to accomplish an acceptable resolution. We call upon America as a founding member of the United Nations to facilitate negation for the purpose of upholding the rule of law in show of support for the Principles upon which the U.N. was founded as outlined in its Charter.

The U.S. Government is a Democracy, but the States are a Republic

- III. Because the U.S. Government touts itself as the Champion of democracy, the world mistakenly believes that the United States of America are a Democracy, when they are in Law—though not in fact—, a Republic ^[5] ^[6] ^[7]:

"An oligarchy or a democracy is equally unrepresentative; each was equally hateful to the founders of our government, and each is equally subversive of the structure which they erected. [...] The framers of the Constitution recognized the distinction between the republican and democratic form of government, and carefully avoided the latter." (Pacific Telephone Co. v. Oregon, 223 U.S. 118, 124 (1912)).

- a. Executive Orders and most actions of your Administration do not have the force or effect of Law in the Republic being of a federal nature as opposed to national:⁸

Laws must emanate from the law-making power, and in a constitutional republic that power can only be a representative legislature created in accordance with the organic law." Pacific Telephone Co. v. Oregon, 223 U.S. 118, 122 (1912).

- i. The Federal Bureau of Investigation (FBI), Central Intelligence Agency (CIA), Department of Homeland Security (DHS) and other similar

⁵ "When, therefore, [a State] became one of the United States, she entered into an indissoluble relation. All the obligations of perpetual union, and all the guaranties of republican government in the Union, attached at once to the State." (*Texas v. White*, 74 U.S. (7 Wall.) 700 (1869)).

⁶ "The United States shall guarantee to every State in this Union a Republican Form of Government," (Article IV, Section 4, *Constitution of the United States*—1787).

⁷ "As long therefore as the existing republican forms are continued by the States, they are guaranteed by the Federal Constitution. Whenever the States may choose to substitute other republican forms, they have a right to do so, and to claim the Federal guarantee for the latter. The only restriction imposed on them is, that they shall not exchange republican for anti-republican constitutions". (*The Federalist*, No. 43, by James Madison (1788)).

⁸ "The social or personal duties or liabilities of the citizens come within the control of the general government only when remitted to its charge by a special cession of authority, and then solely to the end that such regulations as are of a federal character may be enforced, — as in relation to land and naval forces, and persons in the employ of the United States, the punishment of offences, etc., etc., — but in other respects the national government does not supply the law governing the citizen in his domestic or individual capacity. (*In re Burrus*, 136 U.S. 586, 606 (1890)).

The Nation of Israel is a hereditary Family comprised of the biological descendants of the Biblical Hebrews also known as "Israelites", around whom the Abrahamic religions of Christianity, Judaism, and Islam are centered. While Israelites are separate and distinct from Jews, we do not condone, support, or encourage any form of unprovoked hatred against Jews or other non-Semitic persons. organizations formed within the Democracy do not have any jurisdiction within the Republic; and have been operating in violation of the Constitution and Laws of the same, under your alleged authority without Imprimatur from the Congress.⁹ (Legal documentation available upon request).

- b. State Governments, such as that of Georgia, have undergone silent coup d'états in that they are—by and through tacit consent of the unsuspecting general public— facilitating and perpetuating the falsity of democracy; and consequently, judges and courts are misrepresenting state and federal Codes as the supreme Law of the Land.¹⁰

Israelites are entitled to protection of U.S. Constitution and Laws of U.S. Republic
 IV. There are two (2) distinct classes of citizenship in America;¹¹ the first appertains to the Republic and the second to the Democracy. Citizens of the Democracy have neither constitutional nor human rights because they are subjects of the federal Government as opposed to members of the state Republics; most importantly, they do not form part of the human Family of Nations.¹²

- a. Although fallaciously mislabeled "Blacks", "African-Americans" and other related tropes of derogation to hold them in perpetual servitude, the said Biblical Hebrews are *Free White Persons* whose human rights and dignity must be protected by the U.S. Government,¹³ being nationals of the Republic, in which it has heretofore failed.

⁹ "There are certain vital principles in our free Republican governments, which will determine and over-rule an apparent and flagrant abuse of legislative power; as to authorize manifest injustice by positive law; or to take away, that security for personal liberty, or private property, for the protection whereof the government was established. An ACT of the Legislature (for I cannot call it a law) contrary to the great first principles of the social compact, cannot be considered a rightful exercise of legislative authority. The obligation of a law in governments established on express compact, and on republican principles, must be determined by the nature of the power, on which it is founded." (*Calder v. Bull*, 3 U.S. (3 Dall.) 386 (1798)).

Book. <https://doi.org/10.6084/m9.figshare.21737489.v1>

¹¹ "There is in our political system a government of each of the several States, and a government of the United States [e.g. federal Government]. Each is distinct from the others, and has citizens of its own". (*United States v. Cruikshank*, 92 U.S. 542 (1875)).

- b. Imposition of the United States Code or State Codes upon the Ancient Hebrews misrepresented as "law" is in violation of the supreme Law of the Land. Every member of the Nation of Israel charged, sentenced, or confined under any government Code—state or federal—is legally entitled to redress.

Nation of Israel protected by international law

- V. As nationals of the U.S. Republic, Israelites come under the purview of fundamental international human rights instruments, including but not limited to the *Universal Declaration of Human Rights (UDHR)*, and the *Declaration on the Rights of Indigenous Peoples (UNDRIP)*; as well as multilateral treaties binding upon the U.S. Government under Article VI, Clause 2 of its Constitution, such as the *International Covenant on Civil and Political Rights (ICCPR)*.
 - a. The United States of America are a State Party to the ICCPR; and therefore, the U.S. Government is legally bound to respect Israel's rights as follows:
 - i. The right to self-determination (Part I, Article 1, Paragraph 1).
 - ii. Freedom from slavery and servitude (Part III, Article 8, Paragraphs 1 & 2).
 - iii. Freedom from arbitrary arrest or detention (Part III, Article 9, Paragraphs 1-4), and compensation for violations (Part III, Article 9, Paragraph 5).
 - iv. Freedom from interference with privacy, family, and home; and freedom from unlawful attacks on honor and reputation (Part III, Article 17, Paragraph 1).
 - v. Freedom of expression (Part III, Article 19, Paragraphs 1 & 2).
 - vi. Freedom from hatred and incitement of discrimination, hostility, or violence against Israelites (Part III, Part 20, Paragraphs 2).
 - vii. Protection of the family unit by society and State (Part III, Article 23, Paragraph 1).
 - viii. Right to cultural and religious freedom for Israelitish ethnicity (Part III, Article 27).
 - ix. Provide a process for an effective remedy to the violation of Israelitish rights past, present, and future (Part II, Article 2, Paragraph 3(a) & (b)).
 - x. Take necessary steps and legal measures to give effect to the foregoing rights (Part II, Article 2, Paragraph 2).
 - b. The provisions of the ICCPR extend to all parts of the U.S. (Part IV, Article 50). Thus, proper redress must include and extend to Israelites throughout the country. As the world-renowned Leader of liberty, we call upon America to demonstrate support for the Biblical Hebrews' reclamation of National Identity, as the Chosen People of God and consanguineous brethren of Jesus Christ of Nazareth.

The Nation of Israel is a hereditary Family comprised of the biological descendants of the Biblical Hebrews also known as "Israelites", around whom the Abrahamic religions of Christianity, Judaism, and Islam are centered. We look forward to working together to advance Israelitish interests at home and abroad, under municipal and international law.
